

CHANGE TEAM BRIEFING

Issue 1 | December 2020

ALL IN FOR CHANGE

DATE OF FIRST RETREAT:
28 January 2019

Arnotdale House, Camelon
Road, Falkirk FK1 5SQ

WHAT WE DID!

- We got to know each other and our reasons for wanting to make change happen;
- We talked about the 4 New Directions – People First, At Home, No Wrong Door, Good Vibes – and where our efforts need to be focussed;
- We thought about how we work together and how we communicate with others;
- We spent time with Kevin Stewart MSP and David Duke MBE about how we form strong links with strategy and planning groups.

IN OUR OWN TIME...

Change Leads decided what they'd work on between the Launch and the first Retreat in January based on:

One thing you now know – who you are going to tell about it – and one thing you'll do differently.

Change Leads will spend the next few weeks testing these messages and share at our first Retreat what helped spread these messages – and what got in the way.

WHAT'S COMING UP?

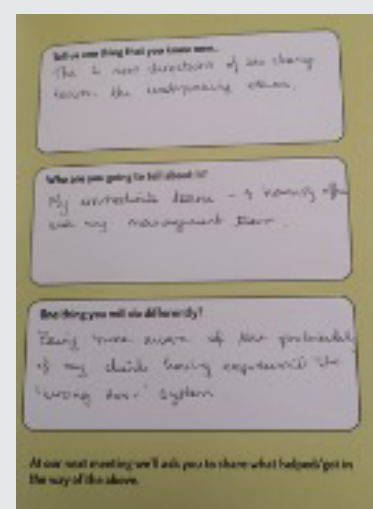

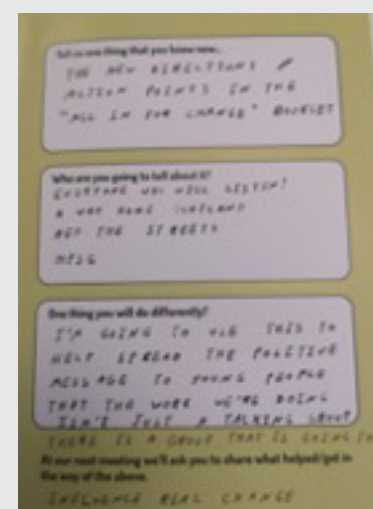

We can't wait for the full Change Team to come together again at our first Retreat on 28 January 2020. On the day we'll make our plans for a 'roadshow' of events across Scotland – and look again at our key change messages.

And before then, 12 Change Leads with an interest in a new legal duty to prevent homelessness will join the Prevention Commission for its first meeting in Glasgow on 16 January 2020. Make sure you've signed up if you want to get involved!
