

Safe as Houses

Conference 20-22 October 2020

Homeless Network Scotland are excited to welcome you to Scotland's annual homelessness conference 2020.

We will be hosting this year's online event through Crowdcast.

To make it easier for you to book and join us we have detailed the steps you need to take.

The Events

We will be hosting 5 themed events over 3 days:

- **A Global Pandemic** – a half day event on Tuesday 20 October
- **Whatever the problem, the answer is relationships** – a half day event on Tuesday 20 October
- **A day in the sun for good law and policy** – a full day event on Wednesday 21 October
- **Same storm, different boat** – half day event on Thursday 22 October
- **If we don't all row, the boat won't go!** – half day event on Thursday 22 October

Each themed event will host a series of live lounge sessions, discussions, Q&A, live chat, keynote speakers and videos. You can choose to book one single themed event, a selection of events or all 5! Booking a place on any one of these events will gain you access to all sessions listed under that theme in the programme. You will also receive a link to re-run the themed event after the event.

How to book

Step	
1.	Go to the Homeless Network Scotland 'events' web page here OR refer to our Safe as Houses programme, to see the list of events and sessions
2.	Click on the themed event which you would like to book
3.	Select a payment rate from the dropdown list*
4.	Click 'Buy Tickets' This will add your ticket to your basket.
5.	If you are buying 1 event ticket proceed to step 6 If you would like to buy multiple event tickets add these to your basket one by one by repeating steps 1. to 4.

<p>Please Note: Each delegate will need to book a ticket using an individual email address. Each ticket purchase will produce a unique link to the event which cannot be shared with others. This means you will not be able to book tickets in bulk for friends or colleagues – please get in touch if you want some help with multiple bookings</p>	
6.	<p>Go to your basket (Click on the ticket symbol in the top right-hand corner of the page)</p> 
7.	<p>Review your basket and click 'Proceed to checkout'</p>
8.	<p>For Standard and Friends and Family tickets only: Enter your billing information, card details, email address and contact details.</p> <p>For Free tickets: Enter your email address and access requirements if you qualify for a free ticket</p>
9.	<p>Click 'Place Order'</p> <p>You will receive a confirmation of your order sent to the email address provided</p>

What happens next?

Once we have received your ticket order we will send you a separate email containing your unique link to the event page on Crowdcast. You will also be able to add this to your calendar.

Visit Event →

Add to Calendar

By clicking 'Visit Event' you will have instant access to the event page, including the polls, chat, and Q&A – even before the event goes live!

A reminder email will also be sent with the same link prior to the event.
