Membership

Hello

Thank you for your interest in becoming a Homeless Network Scotland member or for renewing your existing membership.

This is a pivotal moment for the sector: a time of many challenges that needs us to connect, learn and act on homelessness like never before.

Homeless Network Scotland is the national membership body of people and organisations committed to ending homelessness in Scotland.

We act on evidence and are informed by people with direct experience of homelessness and by the breadth of our members' insights and knowledge.

Homeless Network Scotland provides direction, connects people, and works to inspire the values and vision that will transform Scotland into a place where everyone has a home. We believe this is possible with the right policies, resources and relationships.

Being a Homeless Network Scotland member brings you to the centre of this work, keeps you briefed and connected, and offers opportunities to influence progress and platform your developments.

We have 3 membership categories:

With our flexible offer you can tailor your membership package to your needs. Please find details of benefits below:

Category 1: Supporting Member

This is our standard category membership for individuals and organisations to join the national network focused on ending homelessness in Scotland.

Category 2: Housing Member

Housing ends homelessness. This is an advanced membership package for housing associations, organisations and developers to connect directly with the network.

Category 3: Strategic Partner

This is an advanced membership package for the public sector whose responsibilities span homelessness. And for the range of membership, intermediary and representative bodies in related sectors who hold policy, evidence and influencing roles.

We welcome organisations and individuals who share our ambition for a Scotland without homelessness. This includes:

- Any individual aged 16 years or over
- Any third, independent, public or private sector organisation
- Any unincorporated organisation, group or team
